∧LLIΞD **FLASHBANG**
Gaming Mouse

Use Instructions:
- Remove product from packaging. Retain packaging in case of the need to return under warranty.
- Place the mouse on a flat, non-reflective surface (ideally a mousepad). Reflective, rough or uneven surfaces may interfere with the sensor.
- Plug the cable into your PC. The device will immediately light up and begin functioning correctly (Plug & Play).
- Lighting and button programming instructions on reverse.

Care Instructions:
- Clean periodically with a dry cloth, if required. Do not wipe with a damp or wet cloth.
- Environmental conditions (excessive humidity, temperature, dirt/dust etc) that may prevent the device from functioning properly should be avoided.
- Opening, altering or tampering with this mouse will void the warranty.
- Liquid, sticky substance or dirt ingress, damage from falls, impact or other misuse will void the warranty.

Game As One.

ΛLLIED **FLASHBANG**
